

Centennial Road Church Worship Team - 05 02 2011

The purpose of Centennial Road Church is to passionately celebrate and share the love of God by inviting people to belong, grow and serve in the mission of Christ.

Worship Team Values:

Growth | Relationships | Spirit-Led | Commitment | Leadership

Growth | Hebrews 6:1-3

- Musicianship. We want to provide opportunities to grow as an artist.
- Excellence (but not perfection). Being the best we can be with what we've been given.
- Live music. This fosters an environment that seeks out, uses and develops good musicians.
- A safe environment for constructive criticism and new ideas.
- A growing number of people involved with a heart for God and service. Inclusive.

Relationships | Matthew 5:23-24

- Compassion & care for one another.
- Humility. Do not think more of yourselves than you should.
- Opportunities for growing personal connections.
- Servant's heart.
- Atmosphere of trust, love and respect.

Spirit-Led | 2 Timothy 1:7

- We want to be used by God.
- People of prayer & display the joy of the Lord.
- We are not doing this to lift up the arts, or people's talents, but to lift up Jesus.

Commitment | James 5:12

- Honour schedules and expectations.
- Be a part of the church, not just the worship ministry.

Leadership | 2 Corinthians 5:20

- We are leaders in the church.
- We are a team under the authority of Christ and His church.
- Respect and support the leaders of Centennial Road Church.
-  We often view the leader at the top of the pyramid. Leaders should be seen at the bottom, supporting those who are ministering with them. 

A Note about Dress. This certainly relates to leadership. When we are on the platform, we want to aid in worship, not be a distraction. To that end, a few reminders.

- We shouldn't wear clothing with words or brands clearly visible. Stay away from very bright colours and patterns.
- Ladies: When wearing skirts, please make sure they are no shorter than just above the knee. Remember, when we stand on the platform, we are above the congregation.
- Modesty. Don't show too much skin. This is usually more of an issue with woman's fashion. Guys, if this becomes an issue with you, I'll let you know.
- We always want to present a clean, "well put together" look on the platform.
